## **A HISTORY OF THE ATLANTA STATE FARMERS MARKET**

In 1935 the Legislature authorized the Commissioner of Agriculture to establish a Farmers' Market in the city of Atlanta.

A permanent State regulated Market was opened in 1939 on a 16 acre tract on Murphy Avenue in West End.

This first Farmers Market cost \$150,000 to build. Produce from over 42 States and 8 Countries arrived each month with over 200 individual items sold there.

Because of the amount of produce needed to feed service-men during World War II and the boom years following the War, the Market began to outgrow its location. The search began for a larger geographical location to house the Market - its present location in January of 1959.
